Dear Campus Community:

We are writing to let you know that the C-Store will be closing for an indefinite period beginning (insert date and time), while we work to put additional security measures in place.

Unfortunately, we have experienced a rash of thefts at the store resulting in significant loss, and we can no longer continue operations under the current configuration.

Public Safety is reviewing security footage and investigating the thefts. If you have any information, call 419-772-2222.

Please know that this was a difficult decision. We will be working as quickly as possible to re-open the store with additional safeguards.

Sincerely,

Jason Broge
