Dear Campus Community:

As we shared with you last week, the C-store was closed to put additional security in place following a rash of thefts.

We are currently installing additional video cameras, video monitors, and signage in the store. That work should be completed over Spring Break, and we plan to re-open the store on March 16, 2026.

We hope that these additional steps will address the issue. If the thefts continue, the store will be closed for the remainder of the semester while we develop a long-term solution.

You can help. If you have any information about the thefts, call Public Safety at 419-772-2222. When operations resume, we also ask that you not allow anyone to follow you into the store after you've swiped your ID card. In a number of the cases under investigation, several individuals entered the store under a single card swipe.

We appreciate your patience as we've worked through this issue.

Sincerely,

Jason M. Broge

Vice President for Financial Affairs

Craig Scott

Chief of Public Safety
